games played on THIS server WILL be saved as usual

(TD) We will say this VERY clearly: We do NOT tolerate
\ abusing in any way.
I just discovered that the "legend" called 'Goob'
\ abused with his rating,
which caused a removal of his account.
If you observe that someone abuses, please report it to
\ an administrator.
If you have abused yourself, it would be a VERY good
\ idea to report
it to an admin BEFORE we discover it ourselves.

(AT) New rule: If you do not login during 3 months your
\ account will be
removed. Games are also only saved for 3 months.
